URBAN
SAINTS

Here's what you can expect on the evening, along with a time together to hear about some other exciting events and opportunities.

➔ **Mentoring Youth & Children**

Jesus calls us to make disciples, not converts. But disciple-making is REALLY difficult – especially with all the pressures on children and young people today. How do we persevere through the pressures and really see an impact?

➔ **Leading Effective Small groups**

Small groups can be the most stimulating and engaging experience for all involved, but it can be tricky! We'll think about different tips, tricks and ideas to make them the best they can be.

➔ **Engaging Talks to Young People**

Doing a talk in front of a crowd of bored/hyperactive teenagers can seem pretty daunting. How do you get them to stop talking? How do you keep their attention? How do you get them to remember anything you said? We'll be looking at some simple ways to help you prepare and share a talk that will be interesting, entertaining and relevant to young people.

➔ **Engaging Talks to Children**

Exploring ways to share Bible stories with children which are interactive and help to grow an understanding that the Bible is a living book that they can participate in and enjoy. We'll look at the story of Creation as an example.

➔ **Building Great Teams**

We've all heard that there is no 'I' in 'team'! A great team makes all the difference and can keep us all sane! We'll look at thoughts, ideas, strategies for building the ultimate dream team.

➔ **Creating Boundaries Witout Losing Fun**

In our work with children and young people we're all about creating fun experiences! But how do we provide the opportunity for them to enjoy themselves whilst letting them know and understand where the boundary is with acceptable behaviour? Come along to talk about group behaviour guidelines - for children and young people...and workers!

FORUM

The Forum is a network of Christian youth and children's leaders across Hitchin and the surrounding area. It's not affiliated to a particular church or denomination – but aims to encourage and equip all those who are passionate about serving children and young people.

A free training evening for everyone leading or helping in a youth or children's group.

Grab something to eat and drink – then drop in to any of the 'mini' presentations that are running through the evening – just choose what will help you the most! Bring the whole team to learn together and meet other Christians who share your passion to bring faith and hope to young lives.

It all takes place on **Tuesday 27th March**
from 7.30pm - 9.30pm at
Tilehouse Street Baptist Church,
Upper Tilehouse Street,
Hitchin
SG5 2EE

Parking is available on site
